This will load the following screen.

Final Paper Package Submission for FMEC 2021, SDS 2021 and the joint Workshops

Gandia, Spain. December 6-9, 2021

Click on the following button to go to IEEE electronic copyright system

Make sure to download the completed copyright form at the end of this step

because you need to upload it in the next step.

Also, make sure to complete the process until the IEEE electronic copyright
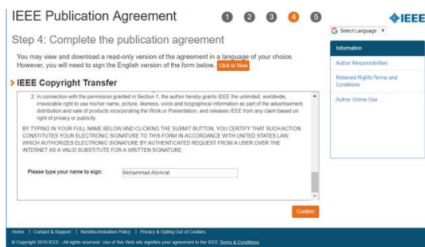

system return you to this page.

[Copyright Submission]

**IF you already have the copyright agreement filled successfully before**

**CLICK HERE**

Read the notes circled in the screenshot. If this is your first time submitting your camera ready files, you have to click on the button �Copyright Submission� This will take you to the IEEE eCF system to complete your copyright form. This process should be completed until the system brings you back to the last step of the submission system were you will be able to upload the final paper package documents. Clicking the button shown above will load the following screen:

Continue the process until you get to the step shown below where you need to sign the form with your name.

Before clicking confirm, make sure that all the information entered are correct because *the process of filling the copyright form cannot be repeated*. �After making sure that everything is correct, click the confirm button. This will load the following page

In this page, you can download your signed copyright form by clicking the button labeled �Download the completed Agreement (PDF)� and you should also have received a copy by email from IEEE.

After that you have to click Done which will bring you back to our submission system and load the page in the following screen. *Do not spend much time at this step as IEEE will delete the session content after some time which can cause a problem and prevent the submission system from loading the last page correctly.*
